

ABOUT LEADERSHIP CAYMAN

Leadership Cayman (LC) is a signature six-month programme, introduced by the Cayman Islands Chamber of Commerce in 2010, that enables class members to develop new personal skills and gain an in-depth knowledge and understanding of the Cayman Islands government, community, and business sectors by participating in bi-weekly seminars, interacting with expert speakers, and participating in a class project for a deserving charity.

Leadership Cayman requires a major time commitment from participants, including several half-day seminars and full-day events.

APPLICATION PROCESS

Applications heavily impact acceptance into the program. It is advised that applications should be grammatical, detailed, and accurate. LC recipients are chosen based on application and interview only. Applicants name and employment data will NOT be reviewed by the Planning Committee during evaluation of applications.

Applicants of Leadership Cayman must have the support and commitment of their business or organisation. The signature of the applicant's supervisor is necessary as an indication of this support.

Applications Don'ts:

- Responses should be responded to within the word range.
- Do not attach resumes or other pages.
- Do not identify oneself in response to questions.

Shortlisted applicants will be contacted to attend a two (2) panel interview. The interviews are conducted by the Planning Committee. Interview questions are confidential and will not be released prior to interviews.

For further questions, you may contact the Chamber of Commerce at 949-8090 / 743-9121
